Welcome to Le Manoir de Lan Kerellec

A FAMILY'S ART

The Daubé family invites you to the Manor house of Lan Kerellec.

Built at the beginning of last century by the "Côte de Granit Rose" (Pink Granite Coast),
it arose from the vision of an artist: the one of painter *Pierre Gervais*.

Bought in 1925 by the Daubé family, it kept its spirit ever since and is still the property of the family.

Émile Daubé (1885-1961),
painter closes to *Marin Marie* and professor in the Academy of Arts,
immortalized there his passion for arts before transmitting it to his descendants.

Now is your turn to dive into the exceptional frame of the Manor house,
source of inspiration for all of those who stay here.

HAPPINESS IN YOUR PLATE

Staying at the Manoir is also the opportunity to feast !

Let be surprised by *Anthony Avoine's* cuisine, our young chef, Michelin starred since 2020.
Passionate about his job, he will delight your taste buds with both sea flavors and a regional identity.

Anthony creates his menus for you depending on seasonal products,
the daily catch, the inspiration of the moment ... And a constant *creativity*.

All the recipes and dishes cooked in the kitchens of MLK are produced with raw and fresh ingredients,
they are "*Home-made*" with love and respect for the good and beautiful things.

The restaurant is open every day for dinner and from Friday to Sunday for lunch.
